

## Wetaskiwin Meets Defeat in Semi-Finals

### Eskimos Win Both Games and Play Taber for Provincial Championship

A record crowd attended the rink on Friday night last to witness the hockey game, which was to determine the winners of the northern division of the C.P.R. League. It was a battle between the Eskimos, the winners of this division, should play home and home games with the Eskimos, of Edmonton, the winners of their section.

In the two games, the team from the capital city showed its superiority of training, and won both games with an aggregate score of 15-2. The score on Friday night was 9-2. The game was very fast from start to finish, in fact, it was by far, the fastest ever witnessed here. Although the weather had been warm all day, the ice was in very good condition. The home team was strengthened by McDermid replacing Wynn on right wing, Clancy had a hard man to check, and was doing it nicely. But he was injured on the knee by the puck. Eason and Sutherland both played star games, while Fairbairn and Oudrive frequently made brilliant plays. French, in goal played a very heavy game, stopping many swift shots at close range, which looked like sure talkies, who were at point broke up some a dangerous rush.

For the visitors Rusty Allan was again there with the horsehide. He made several brilliant saves and was at all times safe. The two tallies registered by Wetaskiwin against him were due to the bad light. McRae was strong at point and Howard Dea was always in the game with lots of good checking. Bud Kent again played one of his best games, his goal in the first half being the result of a splendid shot from almost centre ice. Of the forwards they all played good individually, but were unable to get going with the combination work. The game was late in starting, owing to the non-arrival of the appointed officials. Eventually Bill Henderson and Montgomery were decided upon.

## The Carnival Was a Grand Success

The carnival, which was held on the local ice on Tuesday evening, was a most gratifying success in every way. The evening was quite mild, while the ice was in first-class condition. The greatest number that ever appeared in costume at a carnival in the city was on the ice, while there were also a large number of interested spectators in attendance. The music rendered by the band was greatly appreciated.

The responsible task of selecting the prize winners was performed by

## Town Topics

Mr. Greenlee, of the Pasoka Marble and Granite Works, who was in the city this week on business. Mrs. Greenlee accompanied him.

Mr. Gouville received the sad news on Wednesday that his eldest son, A. W., had passed away at his home in Summerdale, P.E.I., after a brief illness. He was aged 32 years.

E. H. O'Brien, who is opening a branch real estate office in Edmonton, came down to Wetaskiwin on Tuesday. Teddy is very much enthused over the opportunities for good investment in the Capital City, and claims that big money will be made there for the next few months at least.

A quiet wedding took place on Wednesday evening at the Methodist parsonage when Mr. Herbert Reed was united in the holy bonds of matrimony to Miss Helen May Hanson of Leduc. The ceremony was performed by Rev. A. R. Aldridge. The friends of these young people extend their heartiest congratulations.

The many friends of Mr. and Mrs. Andrew Arnpson, are pleased to know that their little daughter, who

## Resignations are Accepted by Council

### Chief of Police and Fire Chief Leave City's Employ on March 14th—Volunteer Fire Brigade will Likely be Organized

A special meeting of the council was held on Monday afternoon, with His Worship, Mayor Knox and Ald. Dudgeon, Billie and Emmen present. After the raising of a motion, waiving legal notice of the meeting, the resignation of H. Whitehead, chief of the fire department, was read and was quietly disposed of on the motion of Ald. Dudgeon. That the resignation be accepted, to take effect on March 14th. This was carried unanimously.

The question of a successor was then discussed, and it seemed to be the feeling of the majority that we should revert back to the old system of a volunteer brigade.

Ald. Dudgeon thought the city should not have a paid chief at the present time as we cannot afford it. The danger of fire is not so great in the summer months.

His Worship said he had not sufficient information before him to act intelligently on the question. The chief only gave the city 11 hours service, which was entirely unsatisfactory, and another system should be adopted. He favored remitting the question to the fire and water committee to see if a volunteer brigade could be organized. If we can do this and save a large amount of money, it would be a great advantage.

Ald. Dudgeon pointed out that there was not so much danger of fire in the day time, as heretofore there would not be hot ashes around. The present chief cost \$90 a month and two suits of clothes; under the old system the expenditure was only \$240 a year.

That in view of the statements made by Mr. D. O. McLean and the complaints made by the chief of police, that an investigation before the council in committee be held in reference to the matters complained of, be held at a date to be set by the mayor, and also that the clerk inquire into the number of arrests made by the night man, since he was appointed.

A letter was read from the secretary of the hospital board asking for a grant of \$1000. The mayor explained that if all the outstanding accounts could be collected for last year, the secretary of the hospital board, supporting those accounts, amounting to over \$1000 could not be collected at present. This grant would likely be the only one asked for this year.

It was moved by Emmen—That the request of the hospital board be granted. Carried.

His Worship then took occasion to refer to what he termed "unfair criticism." He said that he had not sufficient information before him to act intelligently on the question. The chief only gave the city 11 hours service, which was entirely unsatisfactory, and another system should be adopted. He favored remitting the question to the fire and water committee to see if a volunteer brigade could be organized. If we can do this and save a large amount of money, it would be a great advantage.

The resignation of D. R. Fraser, chief of police, was then read. The mayor asked Mr. Fraser, who was present, to state his reasons for having sent in his resignation. The chief then explained that he resigned his position was that he was receiving no backing. He said that he had been in the city for some time, and the magistrates do all against me they can. The night man with the night man against me, and the streets until 10 and 11 o'clock at night to keep peace and order, but this I will not do hereafter. Last Saturday night, the night man was taking in a show at Angus Theatre from about nine until after eleven and I did not know where he was until after the show was out.

In reply to a question from the mayor, Mr. Fraser said he had not intended to last year's council, Ald. Emmen.

## SPORTS

### Taber Wins Provincial Hockey Cham- pionship

Calgary, Feb. 21.—In the hardest fought, as well as one of the clearest games ever seen on the local ice, the Taber Cocks won the championship of the Alberta Hockey Association last night by defeating the Edmonton Eskimos by the score of 2 to 0.

The ice was rather soft and just the thing for the Southern players.

The result was the biggest surprise in the history of hockey in Alberta. Not even the Taber men expected to win the game, their fondest hopes being to hold their own in a draw, and then to close the odds of four to one were offered on the Eskimos and lucky for the northern men of the gambling fraternity no one could be found to cover the money.

Taber played a wonderful defensive game throughout and their hard checking completely broke up the much touted combination of the Northerners.

In the first half the Eskimos would have had the game but for the pretty work of A. G. Cook, who occupied the situation between the flags. A. G. simply ate the puck. Nothing was to be done for him.

Just ten seconds before the half time whistle blew, Baird came down the boards, passed clear across the

H. S. Welles made a business trip to Edmonton during the past week.

J. P. Fowler made a business trip to Sedgwick on Tuesday evening.

George Tanton, of Sedgwick, was in the city on Saturday morning acquaintances.

Mrs. Baillie left for Calgary on Tuesday where she will spend a couple of weeks with friends.

R. C. Hauser, of Round Hill, spent the week-end in the city on business and renewing acquaintances.

Miss Hazel Anderson went to Edmonton on Saturday afternoon to spend a few days with friends.

John M. Groves, of Castor, spent the week-end with relatives and friends here. John reports Castor as a hamper.

R. C. Talbot, who is now in the real estate business in Edmonton, was in the city this week combining business and pleasure.

Dr. E. P. Webb, of Edmonton, who is one of Alberta's best eye specialists, will be at Walker's Pharmacy on Saturday, February 24th.

The Ladies' Aid of the Methodist church will have a sale of home cooking on Saturday, February 24th at the store of Geo. D. Wallace from 2 to 6.

Invitations have been issued for the annual At Home to be given on Thursday evening, Feb. 29th, under the auspices of the Wetaskiwin Lodge No. 8, I.O.O.F.

The Women's Auxiliary of the Emmanuel church, will hold a sale of home cooking at the home of Mrs. McManus, on Saturday, March 2nd, from 4 to 6 o'clock. Tea will be served.

Save your eyesight by having Dr. Webb, of Edmonton examine your eyes with his modern shadow examination instrument which is the only accurate method. Dr. Webb will be at Walker's Pharmacy on Saturday, February 24th.

Among the delegates attending the Grand Lodge of the Independent Order of Odd Fellows, held in Lethbridge this week, are Messrs. E. R. Chandler, H. E. Outler and J. H. Hender. They are representing Wetaskiwin Lodge No. 8.

At the meeting of the County Orange Lodge held at Leduc a few days ago, it was decided to celebrate July 12th, this year at Wetaskiwin. The lodge members, commencing arrangements to have this celebration the best ever held in the West.

One of the characteristics of the year 1912 is that there are few publication days for most weekly newspapers in February. This will not happen again until 1940. All papers published on Thursday in the year 1912 had a similar number of publications in February.

Quite a number of country ratepayers are anxious to have the minutes of the several Local Improvement Districts published in The Times. Some years ago The Times stated that such communications would find a ready place in the columns. That offer still holds good, and of course free of charge.

The holidays in sight during 1912 are as follows—Good Friday, April 6th; Easter Monday, April 8th; Victoria Day, May 24th; Dominion Day, Monday, July 1st; Labor Day, Monday, September 2nd; Christmas Day, Wednesday, December 25th. In addition to these will be Thanksgiving Day and Civic Holiday. Check this list out for reference.

In order to get from any seed company examine it closely and test it. Seed companies, at least certain kinds, often send out some pretty poor seed when their supply gets low, and it is just as well to know what you are planting, especially when you expect to put in a season of hard work to make a living from this seed.

Nominations to fill the vacancies caused by the resignations of A. D. Chandler and Wagner will be held at the city hall on Monday forenoon next, from the hour of 10 to 12. The names of several practical business men are suggested for the vacancies, and the ratepayers hope that at least two of these men will make a sacrifice of their time for the welfare of the city, and will allow their names to be placed in nomination.

How many ladies of 18 years can bake good bread, neatly drain a hole in socks and successfully iron a boiled shirt? This is a long year, and prospective groom has a right to ask the above questions among others. The practical will wear in the home life. The score being 4 to 3 in favor of Fonguiermans so much sought after will

## Why Not Locate Here?

### Quaker Oats Company to Locate Mills in Alberta

A few days ago a report was circulated in the western press that the Quaker Oats Company would locate mills in Western Canada, and that the claims of Alberta were being considered.

It would be good business for this company to locate in the West, particularly as their business has doubtless kept pace with the growth of the country. It would be economy for them to locate in the heart of the wheat producing province, where the best raw material could be supplied at the minimum cost. On the other hand the expense of the long freight haul should be saved to the western consumer.

The Board of Trade should take this matter up at once, and point out the unexcelled advantages of Wetaskiwin as the place to locate. The Wetaskiwin district is recognized as the banner oat producing section of Western Canada, and with our cheap power and advantageous shipping facilities, all costs, the company should have no difficulty in inducing this industry to locate here if the question is taken in hand with the enthusiasm and determination characteristic of the true westerner.

Do not let this opportunity pass, but place the advantages of Wetaskiwin before the Quaker Oat Company before they are pledged to locate in some other part of the province.

The many friends of J. Ward Bailey are pleased to learn that the operation he underwent a couple of weeks ago at Mayo Bros. Hospital, Minneapolis, was entirely successful, and that he is convalescing so rapidly that he expects to reach home in a few days.

The coming season's promise to be a peculiar season because threshing and seeding will be going on simultaneously. The farmer belated, with his threshing may find his seed up to the separator, all it, and go on seeding direct from the straw. There is a serious risk of a harvest, but never until 1912 could Alberta farmers thresh two crops in one year. —Mackled Advertiser.

Mark Wenham of Wenham Valley who has been spending the past few months in Calgary, passed through the city on Thursday, en route for his home.

The Lenten season commenced on Wednesday of this week and will continue until Sunday, April 7th. Easter Sunday, The schools in the city were closed on Wednesday.

M. Mockenberg, A.M., the only university graduate eye specialist in the province will again be at Riggs' Pharmacy on Saturday, February 24th. Office Archibald Block, phone 625.

A runaway took place on Friday afternoon last, when a team belonging to the Royal Meat Market took their freedom and rushed around the city for a while at a lively clip. Fortunately no damage was done.

It is clearly evident that every citizen at this critical time of year when many are stricken down with infection or disease, should guard against the spread of germs. Public places are liable to catch. Extra precaution should be taken in the stamping out of sickness and it can only be done by carefulness.

L. P. Larson, secretary of I.O.D.F., 225, is en route to Canmore, as a delegate to the Swedish Lutheran church gathering. On the 19th inst., a cordial invitation is extended to all at his home and gave him a great surprise by presenting him with a fine massive office chair as a token of their esteem.

The W.C.T.U. will hold a Frances Willard Memorial meeting at the home of Mrs. Knight, Pearce St., at 8 p.m., Wednesday, February 29th. All members are urged to be present. A cordial invitation is extended to all the ladies of the city to attend. Come and spend a hour with us. We will try to tell you about some of the work our organization is trying to do. Refreshments will be served.

Messrs. George B. Henwood and Thompson of Edmonton, were in the city Wednesday in connection with an option to purchase the farm of R. Hawkins. If the deal goes through, and it likely will, it is the intention of Mr. Thompson to develop the market on the place. This will add another industry to those already in the city, as the farm has been tested, and proves to be of good quality.

The first practice will be held next Tuesday evening at the Amalgamated Choir. It is intended to have only a ladies choir this year, owing to the scarcity of tenors and basses in town. A ladies cantata will be given in about six weeks time, supplemented by one or two men's solos, duets, quartettes, etc. All the lady singers in town are especially invited to attend next Tuesday. It is anticipated that the ladies' chorus will compete at the musical festival, with a view of again winning the shield.

Wetaskiwin is taking another advanced step as a prominent railway center. The C.P.R. is having a large ice house erected a couple of blocks south of the freight shed, which will hold about 350 tons of ice. The company is being run by the erection of a large ice house. The company has been handicapped for some time for want of space, and this addition will enable them to keep up with the rapidly increasing traffic business.

Wanted—30 OR 40 HEAD OF cattle to pasture on the Battle River, eight miles east and two miles south of Wetaskiwin. For particulars apply to Carl Anderson, Box 371, Wetaskiwin. 48-41a

CITY OF WETASKIWIN, ALBERTA

CHIEF OF POLICE WANTED—Applications will be received by the undersigned up to five p.m., on March 4th, 1912, for the position of Chief of Police of the City of Wetaskiwin. Salary \$200.00 per month and two units of uniform yearly. Applicants to state age, experience and to furnish testimonials.

B. ROBERTS,  
48-21a Secretary-Treasurer.

WETASKIWIN HOSPITAL

WANTED FOR THE SUPPLY OF groceries, provisions and meat for the Wetaskiwin Hospital for a period of six months will be received up to 5 p.m., on March 13th, 1912, by the undersigned from whom applications may be obtained.

The Hospital Board does not intend to accept the lowest or any tender.

## Seed Supply 1912

Extracts from the Special Bulletin, published by the Seed Branch, of the Department of Agriculture, Ottawa.

"When the damaging frosts occurred in the Prairie Provinces last autumn investigation was started to ascertain the extent to which the crop had been injured for seed purposes and to discover which districts, if any, would require seed from outside points and where good seed could be obtained. Inspectors were employed to cover the country as early as possible and get first hand information on the condition of the crop, and over a thousand samples from widely scattered districts were collected direct from farmers and by the inspectors and have been tested for germination at the Ottawa and Calgary seed laboratories.

In the provinces of Alberta there has been widespread and serious injury from frost, but, with few exceptions, there will be sufficient seed in the different districts to meet local requirements. The most serious phase of the situation is that the most serious damage has been done in the newly settled districts and the settlers are not prepared financially to meet the situation. In southern Alberta last season's frost followed a year in which the crops were very poor on account of extreme dry weather and a large number of settlers, especially from Lethbridge east to Ward Medicine Hat, are without seed or the means of procuring it. Similar conditions prevail north of the C.P.R. main line, around and east of Castor and Corcoran through the Saskatchewan boundary. Along the Calgary-Edmonton line the injury has been especially severe from Lacombe south; probably not more than 25 per cent. of the oats will germinate 60 per cent. or over. Seed will be required at some points. Along the Wetaskiwin branch of the C.P.R. and the Grand Trunk Pacific conditions are some better, and with perhaps a few exceptions, there will be sufficient seed to meet requirements in all districts. Perhaps the most seriously affected section in the

Kind of Grain	No. of Samples Tested	Average per cent. Germinated	Maximum per cent. Germinated	Minimum per cent. Germinated	No. per cent. Germinated or more	No. per cent. Germinated or less

## ELECTIONS IN EDMONTON

Edmonton, Feb. 17.—Mayor Armstrong retains his office as chief magistrate of this city, having defeated Mayor Saunders, the opposing mayoral candidate by 740 votes. Mayor Armstrong is the first to preside over the destinies of Greater Edmonton. The council will be made up of the following members: Mayor Armstrong, Messrs. Douglas, Lindsay, Gowans, East, Melnais, Tipton, Clarke, Walsh May and Gaidler.

Alld. Lindsay, Gowans and Melnais were sitting aldermen. Alld. Tipton and Calder sat in the Strathcona council.

The most interesting result of the election to many was the victory of Miss Bessie Nichols, who headed the list of candidates for the position of school trustees. There were 12 competitors and the majority gained by Miss Nichols was great.

The school trustees chosen are: Miss Nichols, Messrs. Ramsey, Burns, Park, Craig, Black and Ito.

## A RECORD GAS FLOW TAPPED AT BOW ISLAND

Thirty-five million cubic feet of gas every 24 hours, is the record of number 3 gas well, tapped Thursday at Bow Island, on the property of the Canadian Western Natural Gas company. The information comes to the News Telegram through its private wire service.

The flow of natural gas at Bow Island, according to expert engineers, is unequalled for strength, anywhere in the world. In consequence of this flow the pressure at the wells is so great that when turned on the trunk mains at Bow Island, only 90 minutes is required for it to spread to Calgary, a distance of 181 miles, at a pressure of 120 miles an hour—News Telegram.

## PROVINCIAL SEED FAIR

The Alberta Provincial Seed Fair will be held in Medicine Hat, Tuesday, Wednesday and Thursday, February 27th, 28th and 29th. Over 1,000.00 will be offered in prizes, and in addition to the cash prizes, the winners will receive a number of cups and cash sweepstakes will be offered. A program will be put on the last two days by men well qualified to discuss the improvement of seed, methods of cultivation, forage crops, etc. Reduced rates on all railways.

## SETTLER CELEBRATION DOMINION DAY

Settler this year will hold the largest celebration on Dominion Day, July 1st, that has ever been held in the province of Alberta. The council and board of trade have decided to put on championship events in several lines of sport, also attractions of the best character procurable, and everything will be done to make this day in the thriving town of Alberta, one long to be remembered by its citizens. A large number of the majority of events on the track which will be improved, and which is large enough to hold the greatest number of people that can possibly attend. One of the main attractions will be a champion automobile race of all Canada. Entries for this race have already been received and everything goes to show that some of the greatest drivers who participate in Eastern dashes of death will be present. Nearly every part of Canada will be represented, and prizes amounting in value to a very large sum will be given to the winners. A shield of much worth representing the championship of Canada will be donated by the Settler city council to the winner of this race, and this shield will be competed for annually, the race each year to be run at Settler.

### BITTERN LAKE

The C.P.R. Co. have laid a sidewalk from the station steps to the street line, opposite the hotel, which will be much needed when the frost goes out.

Mr. Thos. Shea was here on Tuesday completing arrangements for the moving of the church building from its present site to this place.

The C.P.R. Co. have granted a reduction in the price of the lots chosen for the church site.

Rev. Hetzer and Licht of Camrose were in town Tuesday, looking after the interests of the congregation here.

A large number of people from the surrounding country and towns attended the dance on Monday evening and had an enjoyable time.

Messrs. Spiesman and Roper attended the hockey match at Camrose, Monday evening.

### BATTLE LAKE

Harry Johnson returned to his homestead last week.

Mr. K. S. Hunter has rented Mr. A. E. Heacock's farm.

Bert Converse made a business trip to Wetaskiwin last week.

A. E. Bunney is hauling hay from his ranch on Battle River.

Hugo Unland, J. P. of Chesterwood was in the settlement last week.

Number of young people spent an enjoyable evening at Mr. Heacock's residence on the 17th.

A meeting of the trustees of the Battle Lake Christian Association was held at The Fullerton-Pawcett Lumber Co's store.

The Fullerton-Pawcett Co. are putting lots of logs on the lake this year. Mr. G. A. Hayward is bush boss.

John D. Toovey returned last week from Calgary, with two good teams of young horses which he purchased while there.

A concert was held at F. C. Penneu's mill last Wednesday evening, and a most enjoyable evening was spent by all.

# See How We Grow

In looking back over the past year we have a feeling of gratitude and of satisfaction. It has been a year of growth—our school enrollment for the year numbering 372. Last year it was 238; the year previous, 242; and the first year a 150. This will give you some idea of our phenomenal growth.

At the beginning of this school year we aimed at an enrollment of 450 for the year, an increase over last year of 18. Seven months of the year have already passed and we have enrolled 180 more students than for the corresponding period of last year. We are now aiming at a registration of 600, an increase of 238 over last year.
